

TBT-Deep Hole Drilling Machine ML200-Series

TBT Tiefbohrtechnik – Solutions for Deep Hole Drilling

ML200 with Loading Device

Technical Data

	ML200		
No. of spindles	1	2	4
Spindle distance mm	-	120	80
Center height above guideways mm	150		
Drive power per spindle kW	3,2	2 x 3,2	4 x 1,2
Spindle speed* 1/min	1500 - 20000		
Drilling dia.** mm	0,8 - 12 (15)	0,8 - 10	0,8 - 6
Stroke of feed slide* mm	800 / 1200		
Drilling depth approx.* mm	400 / 700		

* not depending on number of spindles

** Value based on St. 60 material

Larger drilling diameters and drilling depths on request. Technical developments reserved.
